Dear Mr. Miller:

This letter is written to express my gratitude for your work in selling my mother's property.

Your professionalism and ability to work with an older person were exemplary. Your compassion and understanding were greatly appreciated as this was not easy for her having lived there for 52 years!

I also thank you for your patience and ear while I had to make some tough decisions. You were always available when I needed to talk and made me feel like I was your only client. So refreshing in this day and age.

Everything went so smoothly and quickly. You are the best! Thank you, Rich.

Best wishes
